

# LOVE KNOT

This Block is a variation of the log cabin block.  
It has been designed to suit the 1 ½" strips that are in the gift stash.

You need four different fabrics.  
medium dark, medium light and  
All cut into 1 ½" strips

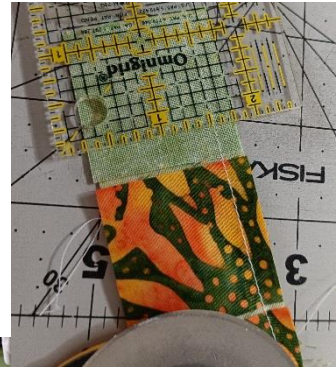

quilt

Dark,  
light.

Make four blocks (two pairs) and join together .

## Block pair 1

Cut two 1 ½" squares of the dark. (Make the two  
blocks at the same time)

Sew onto one side the light  
fabric, cut and turn and sew  
onto the other side of dark  
block and light another strip. A  
quick way to do this is to lie the  
light strip down on the machine  
and place on top the two blocks  
and then sew your ¼" seam,  
then separate the two blocks  
and trim.

Repeat with the medium light,  
then the dark.

## Block pair 2

At the same time you can sew the other pair.  
Start with the medium dark, then light, medium light  
and lastly dark.

Sew together as shown in lay out photo

This youtube video is where I got the information  
from.
